THE MINISTER OF STATE IN THE
MINISTRY OF ROAD TRANSPORT AND HIGHWAYS
(SHRI PON. RADHAKRISHNAN)

(a) & (b) No, Madam. However, certain accidents have been reported from these locations. A statement indicating the accidents taken place in these locations during January 2014 to December 2016 is annexed. Normally the reasons for these accidents are due to fault of drivers, traffic rule violations, increase in cross traffic, fault in vehicles etc. There is no proposal to construct flyover or underpass is under consideration.
